## WELCOME TO ..... THE HARROW PARK GOLF CLUB

*The* Harrow Park Golf Club, Abuja is a private membership club, which aims to be at the very heart of Nigeria's current and future professional, political and business life.

# THE HEART OF THE MATTER

*The* club's location speaks volumes. Strategically situated in the heart of Abuja, surrounded by picturesque landscaping, intertwined with African art décor and its own driving range with putting greens and chipping bunkers, it enjoys impressive views over the surrounding 'green space'.

With its own private access road for members and ample parking, the club is also within a short drive of all major government buildings, ministries and embassies, as well as the main business district.

## IN CAPABLE HANDS

*The* management of Harrow Park Golf Club has been undertaken by International Golf & Resort Management Limited (IGRM), with headquarters in London and executives who have vast experience in every aspect of club development, marketing and management.

The association with First Bank Nigeria Private Banking (FBN) will provide members with a high level of personal services via the private banking lounge.

## ESTABLISHING A SOUND FOUNDATION

*F*undamental to the success of the club is the Board of Advisors. This group of extremely prominent individuals will do more than anyone to shape the spirit and character of the club and they have been chosen specifically for the regard in which they are held within their community.

They will provide the essential direction and leadership for the club and most importantly, will set the tone of the membership through the founder membership programme.
